## STIFT REIN (REIN ABBEY) & STRAWBERRY PICKING

On this trip, we will explore the oldest Cistercian monastery in the world: The Cistercian monastery Stift Rein was founded in 1129 and it has been an active monastery without interruption for almost 900 years! During this guided tour we will discover the large monastery complex, the basilica, the Chapel of Mary and we will also get the chance to visit the library and listen to the monks' noon prayer.

After the tour through the monastery, we will go strawberry picking right next door. We recommend to bring your own baskets for the strawberries!
